

Parking & shuttle sidebar  
(to go on Schedule page?)

Parking at the front entrance to the Yuma Quartermaster Depot is reserved for those with handicapped parking passes or event entertainers and participants.

Public parking is available in free special events lots on the north side of First Street between Fourth Avenue and Old City Hall. Those who park along First Street can enter the Quartermaster Depot at the foot of 2<sup>nd</sup> Avenue, below Old City Hall (see map on page \_\_\_\_). The rear entrance gate will be open during all Lettuce Days events.

Overflow parking will be available in the free public parking lots downtown, with free shuttle service running continuously during festival hours. The shuttle will make two stops downtown: on Maiden Lane at the rear entrance to Lutes Casino and at the corner of 3<sup>rd</sup> Street and Madison Avenue, and will take passengers to the front entrance of the Quartermaster Depot, before repeating the same loop.

Please note that pets are not permitted in the Yuma Quartermaster Depot State Park.
